	Portsalon				

RULES OF THE COMPETITION:

- The competition is confined to clubs in the county of Donegal. No player may take part if he has no handicap or his playing handicap index is less than (17.5) on the day of the match. The maximum handicap index for the purpose of Calculating shots is 28.4
- Each club may enter one team consisting of Ten (10) male members and play will be by better ball match play under handicap. The lowest player reverts to scratch and concedes strokes to the other three players based on Nine Tenths (90%) of the difference between the course handicaps on the day of the fixture. As shot calculations will be determined by the player's course handicap a player's course handicap may be less than 18 or indeed greater than 28 for the purposes of shot calculation.
- A team may play in any order of handicap. All matches will be played off forward tees and over a measured course .
- Both clubs are responsible for contacting each other .This will be done in the first week after the time for the previous round .At this contact they will decide the type of meals that they will each provide. A club which does not wish to play on Sundays should inform their opponents immediately so that full consideration can be given to this.
- If clubs cannot agree on times for the matches to be played they will contact the convenor who will set the time for the match to be played. The top named club will play at home for the first leg unless otherwise agreed.
- The minimum age is eighteen (18) and over on the 1st January in the year of the competition. Clubs are encouraged to select players of mature years .If a club plays a player under eighteen (18) years they shall incur loss of that match and ten (10) holes.
- The respective team captains will simultaneously exchange the names of the members of their team in order of play together with the names of substitutes .In all cases handicaps must be stated .In the second leg they must also indicate which two players will play off in the event of a tied match. If it has not been agreed which players are to play off then it will be the fifth pairing.
- Each individual game will count as one point to the winner. Half a point will be awarded in a halved game. An individual game will end when a winning position has been reached. Holes up should be noted .In the event of games being equal then the winning team will be the one which is the most holes up. If clubs still tied ,then a decision will be reached by sudden death play-off by the pairings indicated in rule 7 .

Convenor:
